

Camp is right around the corner! I can't wait for another week of fun and fellowship. The CYF staff are excited and ready to welcome you to your week-long, home away from home. It's going to be an amazing week of our favorite summer-time activities, competitions, and growing in our faith. As we enjoy our week of camp, we will also be studying the fruits of the spirit.

Camp will start at 10 AM on Monday and conclude on Friday at 10 AM. Please make sure to pack all necessities for a week in the woods by the lake, as well as your Bible. We're going to provide snacks for you, so you don't have to worry about bringing money for canteen.

Most importantly, make sure you bring an open mind and an open heart.

I can't wait for another amazing summer!
